The Showroom Open Golf Tournament

The showroom acts as a 'hole' on the golf course around the identified route in Clerkenwell. Each showroom is within an easy stroll of the next... all are located at the heart of the A&D community.

Every player calls into any of the named participating showrooms to purchase a Match Scorecard for £5.00. These payments will make up the total prize money available and 50% of the money taken will be donated to charity.

The remaining half will be split into 30% for first prize, 15% for 2nd prize and 5% for third prize. You can start your round at any of the showrooms but you must visit each of them to complete your 'Match Scorecard' for the tournament and qualify for the prize money.

26th August 2010
