

## Abbeysteel™ Carbon Reduction Certificate

**Certification Period:** 1st July – 30th September 2010

**Organisation Name:** Silverline Office Equipment Limited

This is to certify that the named organisation used:

**80.5 Tonnes**

**of Abbeysteel™ Sustainably Sourced Steel**

In using Abbeysteel™ they have saved **603.75 Tonnes** of CO<sub>2</sub> from entering the atmosphere that would have been emitted from the production of the equivalent number of new tonnes of steel made.

In addition to this 96.6 Tonnes of Coal, 177.1 Tonnes of Iron Ore and 40.25 Tonnes of Limestone were also saved.

### Carbon Bank

Account Opened: April 2009

Total CO<sub>2</sub> Saved: 3872.25 Tonnes

Signed
